

PRIVACY POLICY

Please read our privacy policy carefully to get a clear understanding of how we collect, use, protect, and handle your Personally Identifiable Information.

Controllers of Personal Information

Any personal information provided to or gathered by moyagi.com is controlled by Moyagi Group AB (559199-5476) ("Moyagi").

What personal information about our users do we collect and use?

When you visit the Platform, we can only identify your computer's IP address. Although, you remain anonymous if you do not choose to provide information that identifies you, for example by sending an email to Moyagi, or if you otherwise choose to provide information about yourself or your business. If you choose to provide information that identifies you, Moyagi collects this for the purposes stated in this Privacy Policy.

When chatting with our customer service or booking a room on our site, as appropriate, you may be asked to enter your name, email address, mailing address, phone number or other details to help you with your experience. The information we collect helps us learn from our users and help us personalize and improve the experience at moyagi.com. It also helps us to prevent or detect fraud or abuses of our website.

We also collect information that will help us communicate anything regarding your bookings, or to share any form of important information. Statistical data that we collect, for example during your visit to our webpage, which cannot directly be associated with your person, do not fall into this category. Included in this category are for example statistical data on which pages are particularly popular, or how many users visit a certain page at moyagi.com.

How do we use your information?

Moyagi's primary purpose of collecting personal information is to offer you a custom service, deliver better service, and to increase the relevancy of the content. We use the collected information to provide you with information or services you request and to better understand Moyagi's members. To achieve this, Moyagi analyzes the members' demographic relationships, interests, and behaviors based on the information given to Moyagi from the Moyagi Platform. Research and analysis are performed at a combined level and are not intended to identify individual members.

Moyagi may also use the information you provided to send you information (by letter or email) about Moyagi's products and services that Moyagi believes is of interest to you. You will only get this information from Moyagi. You will not receive such information if you disagree to receive this kind of information. If at any time you no

longer want such information from Moyagi, send an email to contact@moyagi.com where you have specified your contact details.

How do we protect your information?

Your personal information is contained behind secured networks and is only accessible by a limited number of persons who have special access rights to such systems, and are required to keep the information confidential. In addition, all sensitive/credit information you supply is encrypted via Secure Socket Layer (SSL) technology.

Do we use cookies?

Yes. Cookies are small files that a site or its service provider transfers to your computer's hard drive through your Web browser (if you allow) that enables the site's or service provider's systems to recognize your browser, to capture, and to remember certain information.

For instance, we use cookies to help us remember and process your experience at Moyagi, for example, which room you booked. They are also used to help us understand your preferences based on previous or current site activity, which enables us to provide you with improved services. We also use cookies to help us compile aggregate data about site traffic and site interaction so that we can offer better site experiences and tools in the future.
